Educators serving youth, VHSL is 308 state schools

Virginia's public high schools, through their alliance as the Virginia High School League, serve their youth by establishing and maintaining standards for student activities and competitions that promote education, personal growth, sportsmanship, leadership and citizenship.

Major policies and decisions affecting League programs are determined by a 28-member Executive Committee. Direction is provided by

group boards and by region and district councils. Finally, all member principals have oversight at region meetings and at fall and spring membership meetings.

This democratic, decentralized organizational structure provides for maximum local control and assures participation of school leaders as well as the public-at-large.

MAKING A MARK

Book of Records gives shape to VHSL achievements

This publication is the tenth edition of the *Virginia High School League Book of Records*. The VHSL continues its efforts to compile state championship data in all VHSL activities, along with performance marks where they are available.

Virginia's public high schools, through their alliance as the Virginia High School League, serve their youth by establishing and maintaining standards for student activities and competitions that promote education, personal growth, sportsmanship, leadership and citizenship.

The VHSL Book of Records brings proper recognition to high school students, coaches and teams that have achieved outstanding performances in interscholastic athletic and academic competition. The Virginia High School League believes such recognition helps stimulate interest in high school athletic programs and motivates participants to improve their skills.

Information is compiled from office files, past issues of *The Leaguer*, VHSL's yearbook of record, and information from those outside the VHSL who follow Virginia high school activities, most notably Marshall Johnson, retired Associated Press sports writer, member of the Virginia High School Hall of Fame and unofficial historian for prep sports in Virginia. John Crute of Richmond provided information about Group AAA track.

Todd Feagans and Erik Nilsson, student interns from the University of Virginia, undertook the massive assignment to get the book established. Their efforts have been supported in later updates by UVa interns Scott Clayton, Biffy Corneilson, Jerry Kim, Jessica Lange, Cicily Marshall, Rebecca Pine and Neil Thomson, and by Bob Moore, athletic director at Virginia Episcopal School in Lynchburg. All have spent many hours researching old files and making telephone contacts, checking and re-checking facts and inputting information.

A Work in Progress

However, much remains to be done on this *Book of Records*. Readers will find incomplete or missing informa-

tion. *The Leaguer* didn't give complete results in some activities in some years. While Johnson has compiled detailed performance records in sports such as football and basketball, we have found no records of outstanding performances in other VHSL sports and activities. Although we have done what we could to update information, there is no doubt that readers will have information that the VHSL may not.

We Invite Your Contributions

We invite you to become part of this publication. Where information is incomplete or incorrect, let us know. Where information is missing, fill in the blanks. Where you think we need to include information we have not offered, plead your case. In activities where there are no performance marks listed, we will use information received from our readers to establish them. As we continue to update this publication, we will rely on school officials, participants, reporters or other interested readers to keep us up to date with each new achievement or performance record.

Be careful though. We need verification from newspaper accounts, school records or some other authoritative source before we include information that may not be accurate.

Please use the form on pages 221-22 at the end of this book to report information which will update this work in progress.

Sportsmanship Statement

The Virginia High School League is pleased to recognize outstanding achievements by teams and individuals. Although it is impossible to determine intent when marks are established, the committee strongly encourages recognition of performances in the true spirit of interscholastic competition. Running up scores or embarrassing an opponent for the primary purpose of inclusion in the Book of Records is not consistent with the ideals of good sportsmanship.

VHSL Recognition Application

Virginia High School League, 1642 State Farm Blvd., Charlottesville, VA 22911-8609
(434-977-8475 / 434-977-5943 fax)

Please complete all information below. Please type or print. Application must be completed in full for consideration by the Virginia High School League. One application per mark or performance. If more than one mark or performance, please include a comprehensive list and attach to the application. Applications are invited for all performances which might be considered for inclusion in the Virginia High School League Book of Records, whether as a new VHSL record, for listing among the top performances in a particular category or for consideration in activities where no performance marks are listed.

Required with the application are newspaper accounts of the performance and/or any other material (i.e. scorebooks, etc.) that can help to certify and document the performance. Photographs of the performance and of the individuals or

teams involved are requested for future editions.

This application should be forwarded to the VHSL as soon after the performance (single game) or completion of season (season or career marks) as possible.

Performances must be established in competition conducted in compliance with the eligibility rules of the Virginia High School League and all National Federation playing rules for the sport involved if the National Federation publishes a rules book for that sport, unless in the judgment of the records committee the different rules of play do not significantly give advantage to the establishment of the record performance.

Applicant's Endorsement

I submit this application for recognition in the Virginia High School League Book of Records. All facts contained herein are duly certified. I realize any inaccuracies could disqualify the mark or performance from recognition. It is also understood that, although the Virginia High School League may approve this performance for inclusion in the Virginia High School League Book of Records, the passing of time and the continuing improvement in high school athletics might cause the performance to be deleted from the next edition of the Book of Records.

I grant to the Virginia High School League the right to publicize this performance in any and all ways it wishes, including through print, broadcast, television and internet media.

The signature appearing below should be the : (1) individual involved if an individual mark is involved; or (2) the relay team captain or coach if a relay mark is involved, or (3) the coach if a coaching or team mark is involved.

Sportsmanship Statement

The Virginia High School League is pleased to recognize outstanding achievements by teams and individuals. Although it is impossible to determine intent when marks are established, the committee strongly encourages recognition of performances in the true spirit of interscholastic competition. Running up scores or embarrassing an opponent for the primary purpose of inclusion in the Book of Records is not consistent with the ideals of good sportsmanship.
